

NORTHERN CHALLENGE TABLE TENNIS COMPETITION

Saturday 22 February and Sunday 23 February 2025
Mackay Table Tennis Centre (76 Bridge Road, South Mackay)

To all the table tennis players of North Queensland
IT'S BACK!

General: All members from the table tennis associations in North Queensland can participate in the Northern Challenge (Rockhampton north). Members of any level may participate, including social members.

Team's Event: The Northern Challenge will be a team's event on Saturday and Sunday each day, with players participating in divisions. The divisions will be determined by the organising committee based on the entries received. We will seek to have each division as evenly rated as possible. The format will be teams of 2, with 2 singles and 1 doubles match in each team's event. A team may consist of male or female players (or both).

You can nominate your own team (we recommend that team members be of similar skill set), or you can nominate yourself and we will find you a team member if we can. There will be a junior division if numbers permit. Junior representative players will be entered into the main divisions and not the junior division event.

Singles Event: There will also be a singles tournament on the Saturday night (22 February 2025), which will be an open men's and open women's event, plus a junior event. Extra singles events may be added.

Entry Fees: There are no entry fees!

Canteen: The Mackay canteen will be open for light refreshments. There will also be a dinner organised for the Friday night before the weekend for anyone who would like to attend. The venue and time will be determined based on interest received by participants. The dinner will be pay-as-you-go.

Ratings Central: This is not a rating central event, as the concept of this challenge is to enable players to compete in a fun and friendly environment, practicing their skills in readiness for the 2025 table tennis year.

The Glory: There will be points allocated for winners and one of the North Queensland associations will be crowned the overall weekend winner! There will also be trophies for event winners.

Players of all age and skill may participate!
